智慧化无土栽培系统创新者

INNOVATOR OF INTELLIGENT SOILLESS CULTIVATION SYSTEM

01 European style coconut coir strip planting system

欧式椰糠条种植系统

02 Hanging lifting strawberry waterfall

悬挂式草莓瀑布

03 Hydroponic flat cultivation system

水培平铺栽培系统

04 A-shaped cultivation system

A字形栽培系统

05 A-shaped cultivation system

高架栽培系统

06 Wall cultivation system

墙体栽培系统

07 Aerosol cultivation system

气雾栽培系统

08 Petal Column Cultivation System

花瓣立柱栽培系统

09 Shallow liquid flow cultivation system

浅液流栽培系统

10 Three dimensional staggered cultivation system

立体错层栽培系统

关于肯波特

肯波特是耐沃农业科技发展（潍坊）有限公司旗下品牌，公司位于中国风筝之都潍坊，依托于潍坊成熟的农业产业链研发优势，紧密实施校企合作与成果转化，经过多年持续发展，肯波特成长为智慧农业应用装备，无土种植与植物工厂设施研发生产为一体的具有全球视野的创新型科技公司。

作为一家秉承创新就是未来的技术型企业，我们始终致力于成为国内外具有竞争力的数字农业综合服务商，为农业数字化转型提供多重助力及完善的解决方案。

肯波特着眼未来，励志为全球种植者提供高效，可持续的智慧无土种植设施及无土种植解决方案。

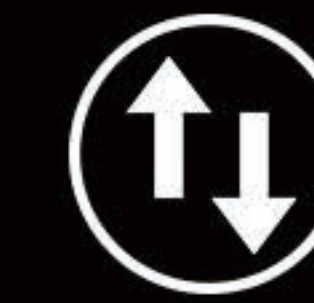

Kenpotter is a brand under Naiwo Agricultural Technology Development (Weifang) Co., Ltd. The company is located in Weifang, the kite capital of China. Relying on Weifang's mature agricultural industry chain research and development advantages, it closely implements school enterprise cooperation and achievement transformation. After years of continuous development, Kenpotter has grown into an innovative technology company with a global perspective that integrates the research and production of smart agricultural application equipment, soilless planting, and plant factory facilities.

As a technology-based enterprise that upholds innovation as the future, we are always committed to becoming a competitive digital agriculture comprehensive service provider both domestically and internationally, providing multiple assistance and comprehensive solutions for the digital transformation of agriculture.

Kenpotter focuses on the future and is committed to providing efficient and sustainable smart soilless planting facilities and solutions for global growers.

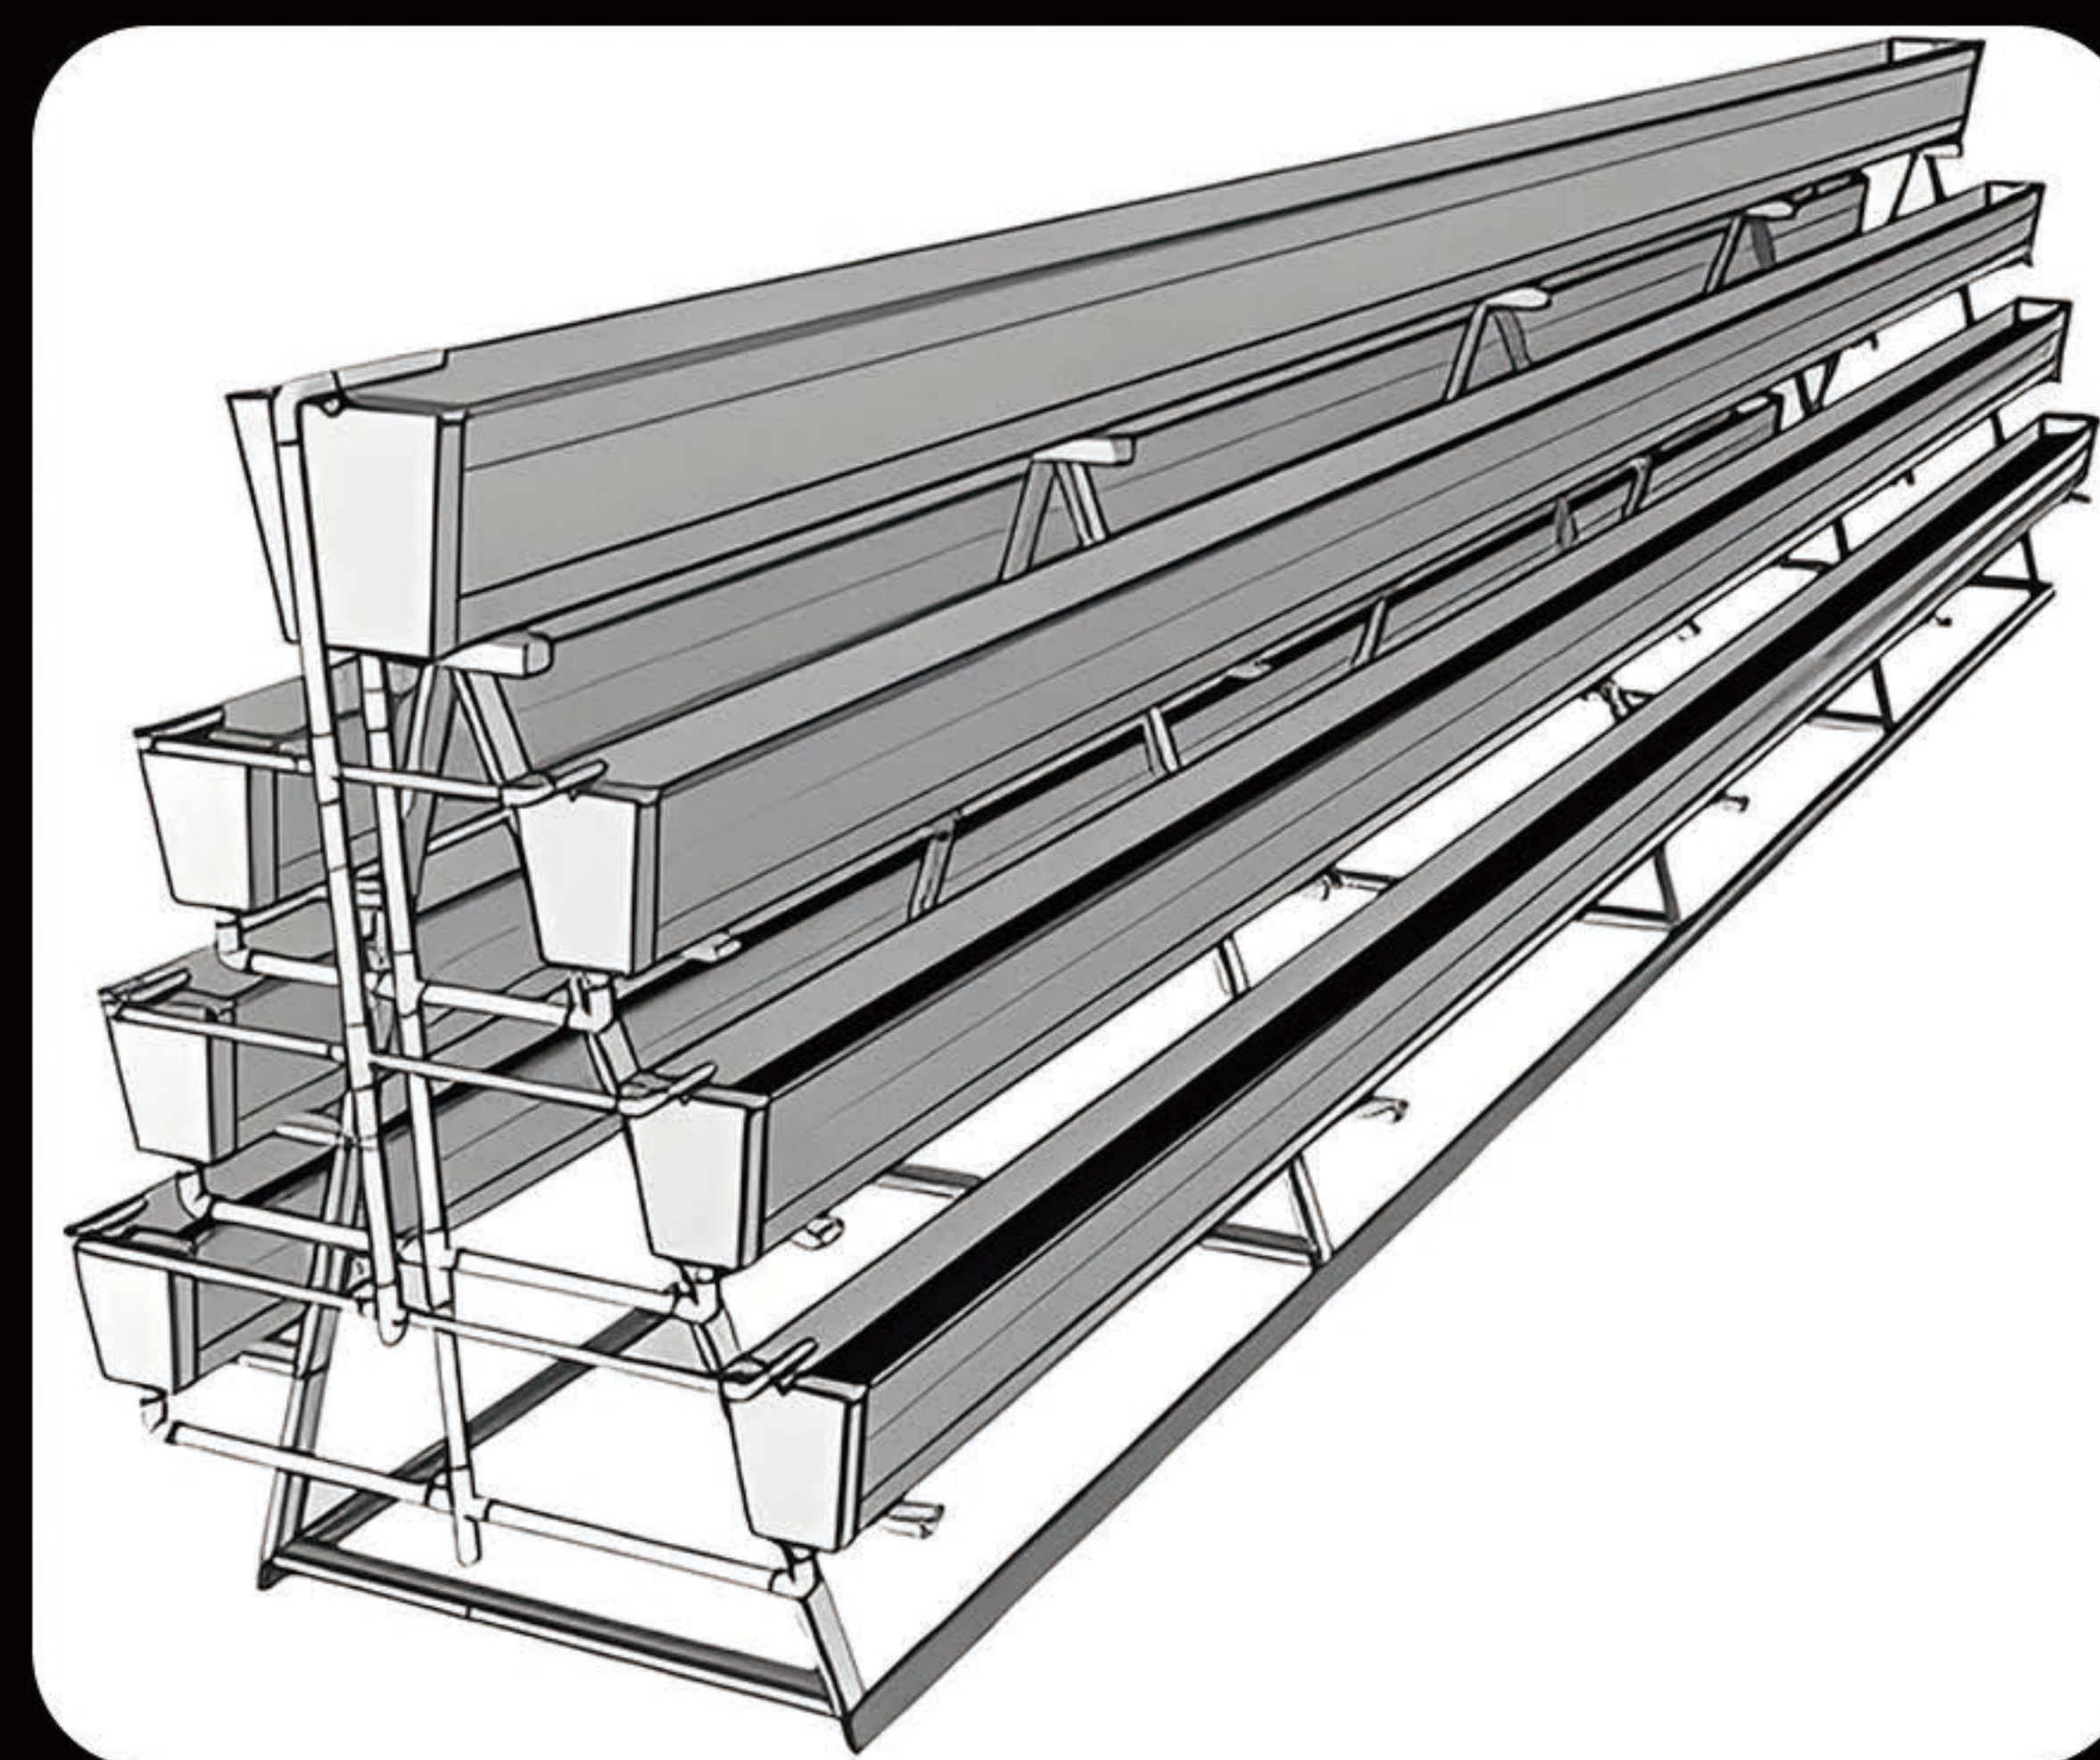

智慧种植—悬挂升降草莓天瀑 Smart Planting—Hanging lifting strawberry waterfall

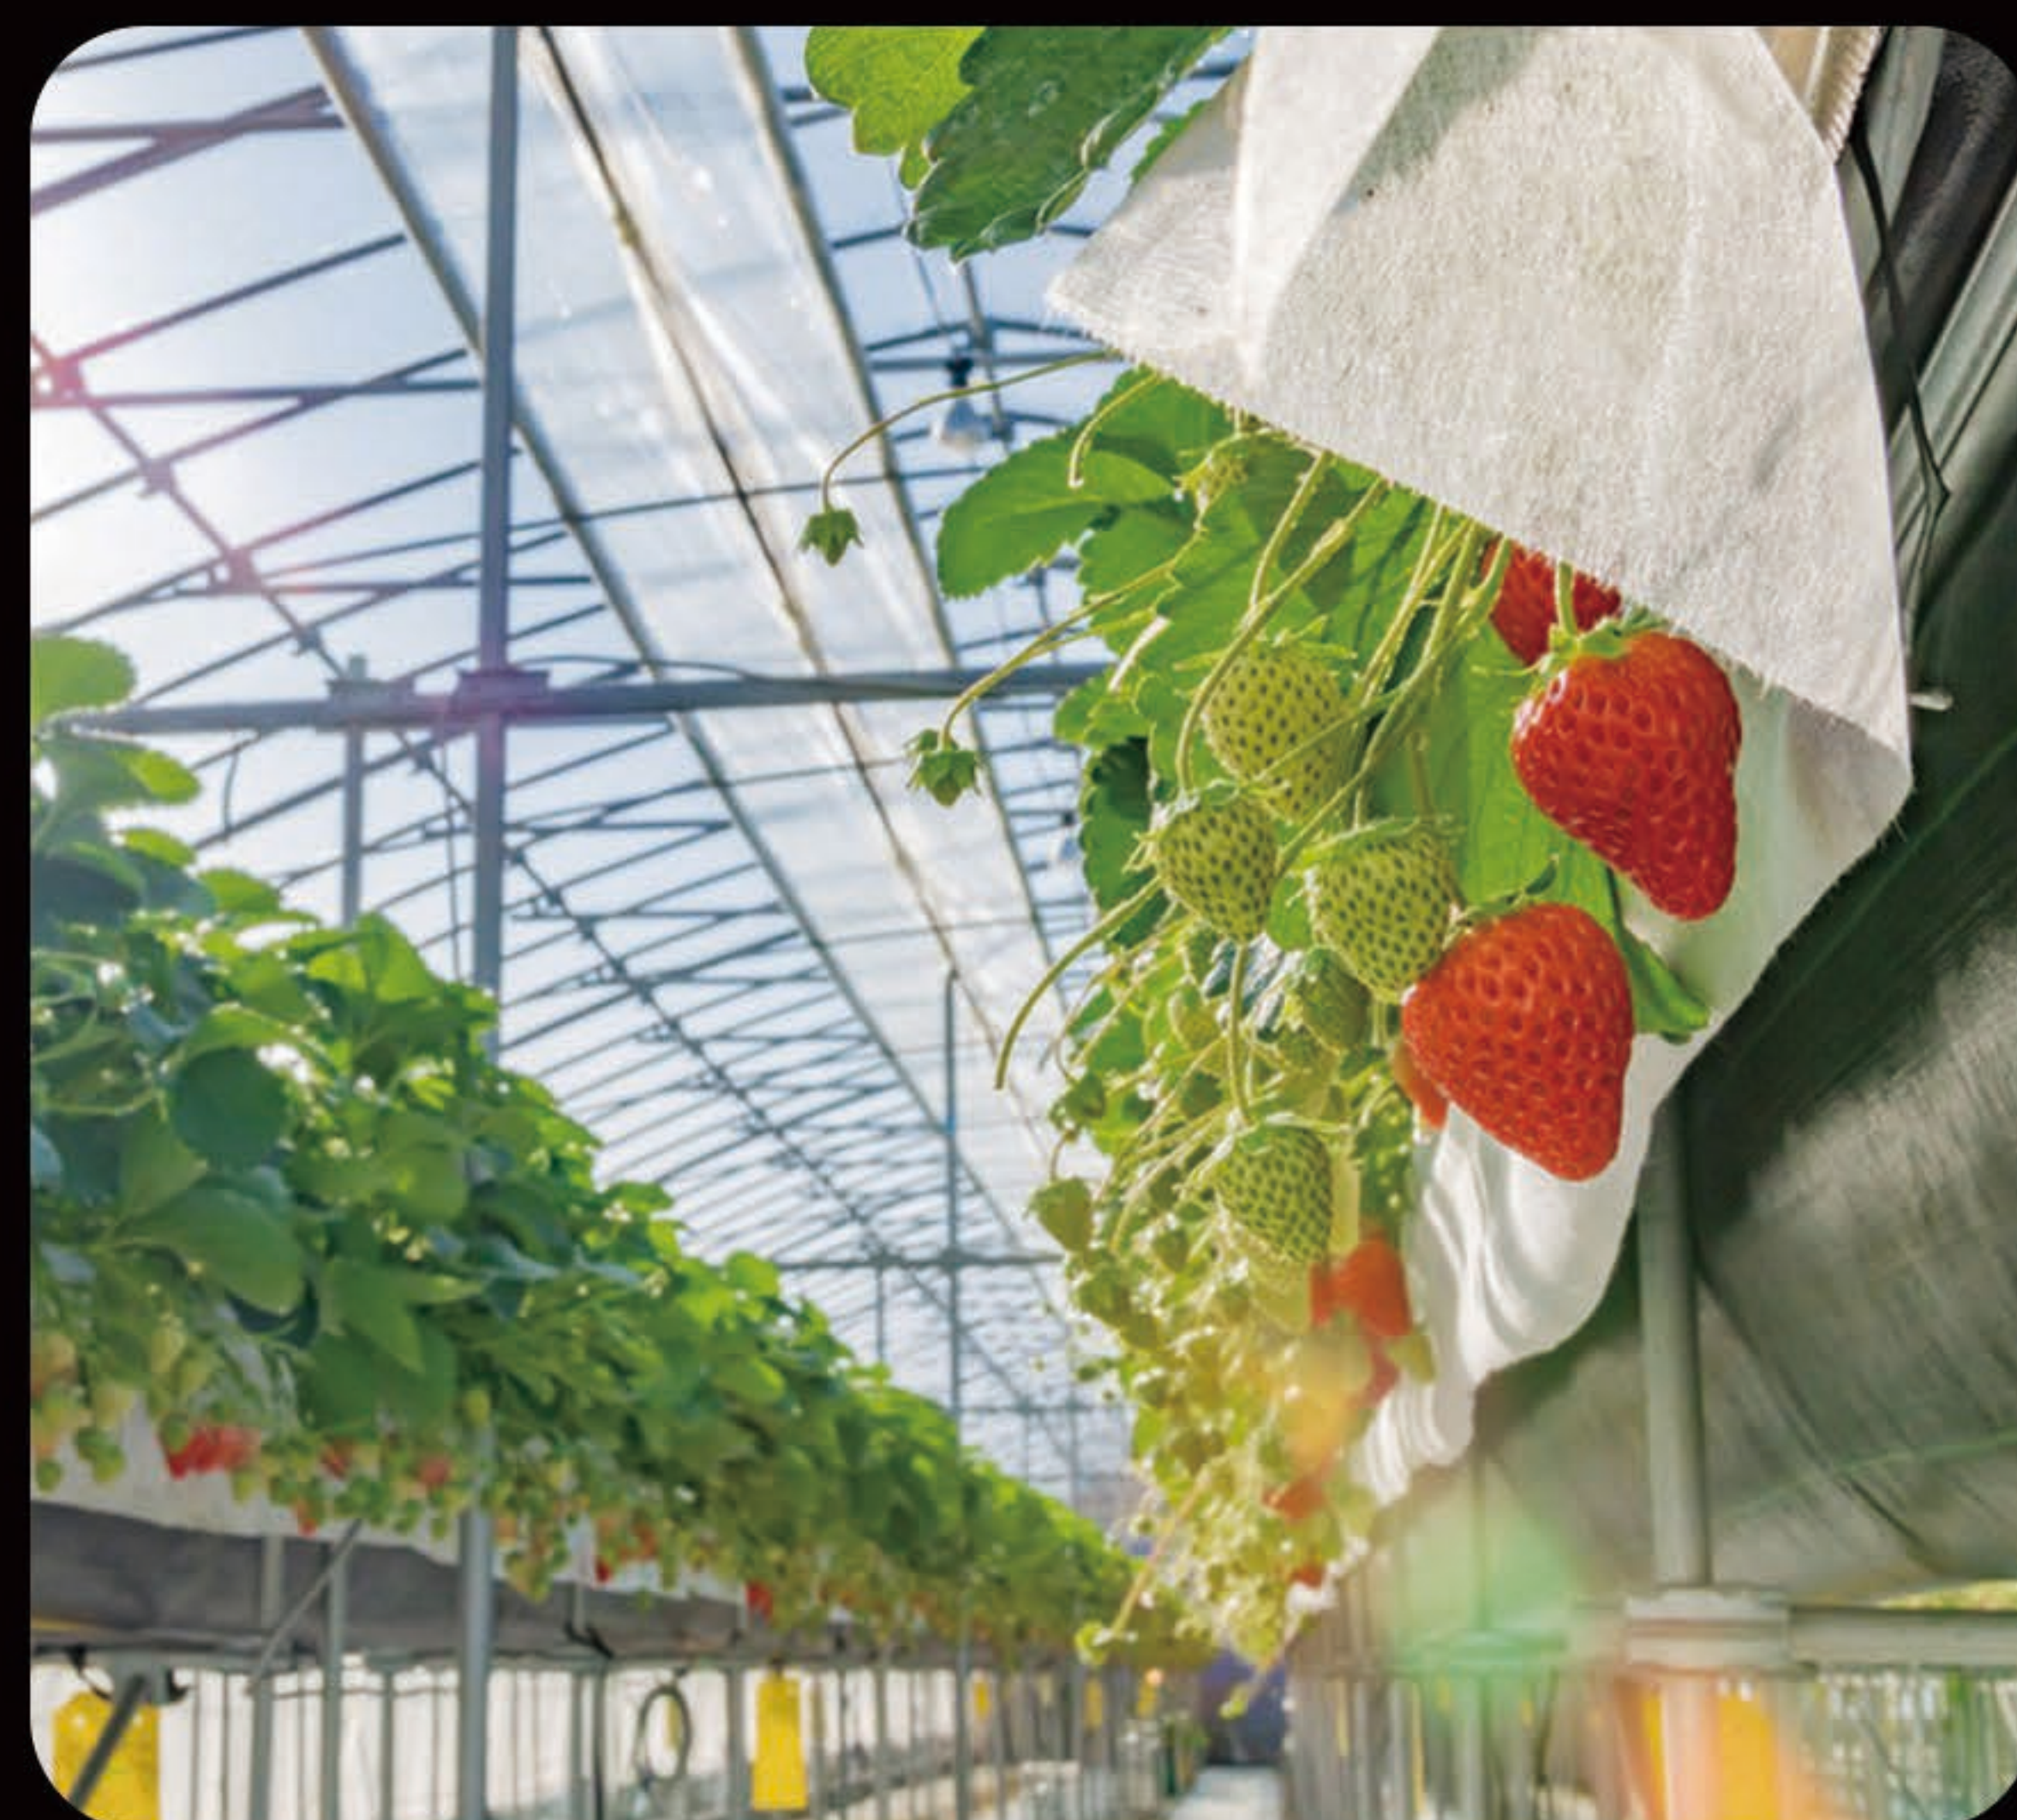

智慧种植—水培平铺栽培系统 Smart Planting—Hydroponic flat cultivation system

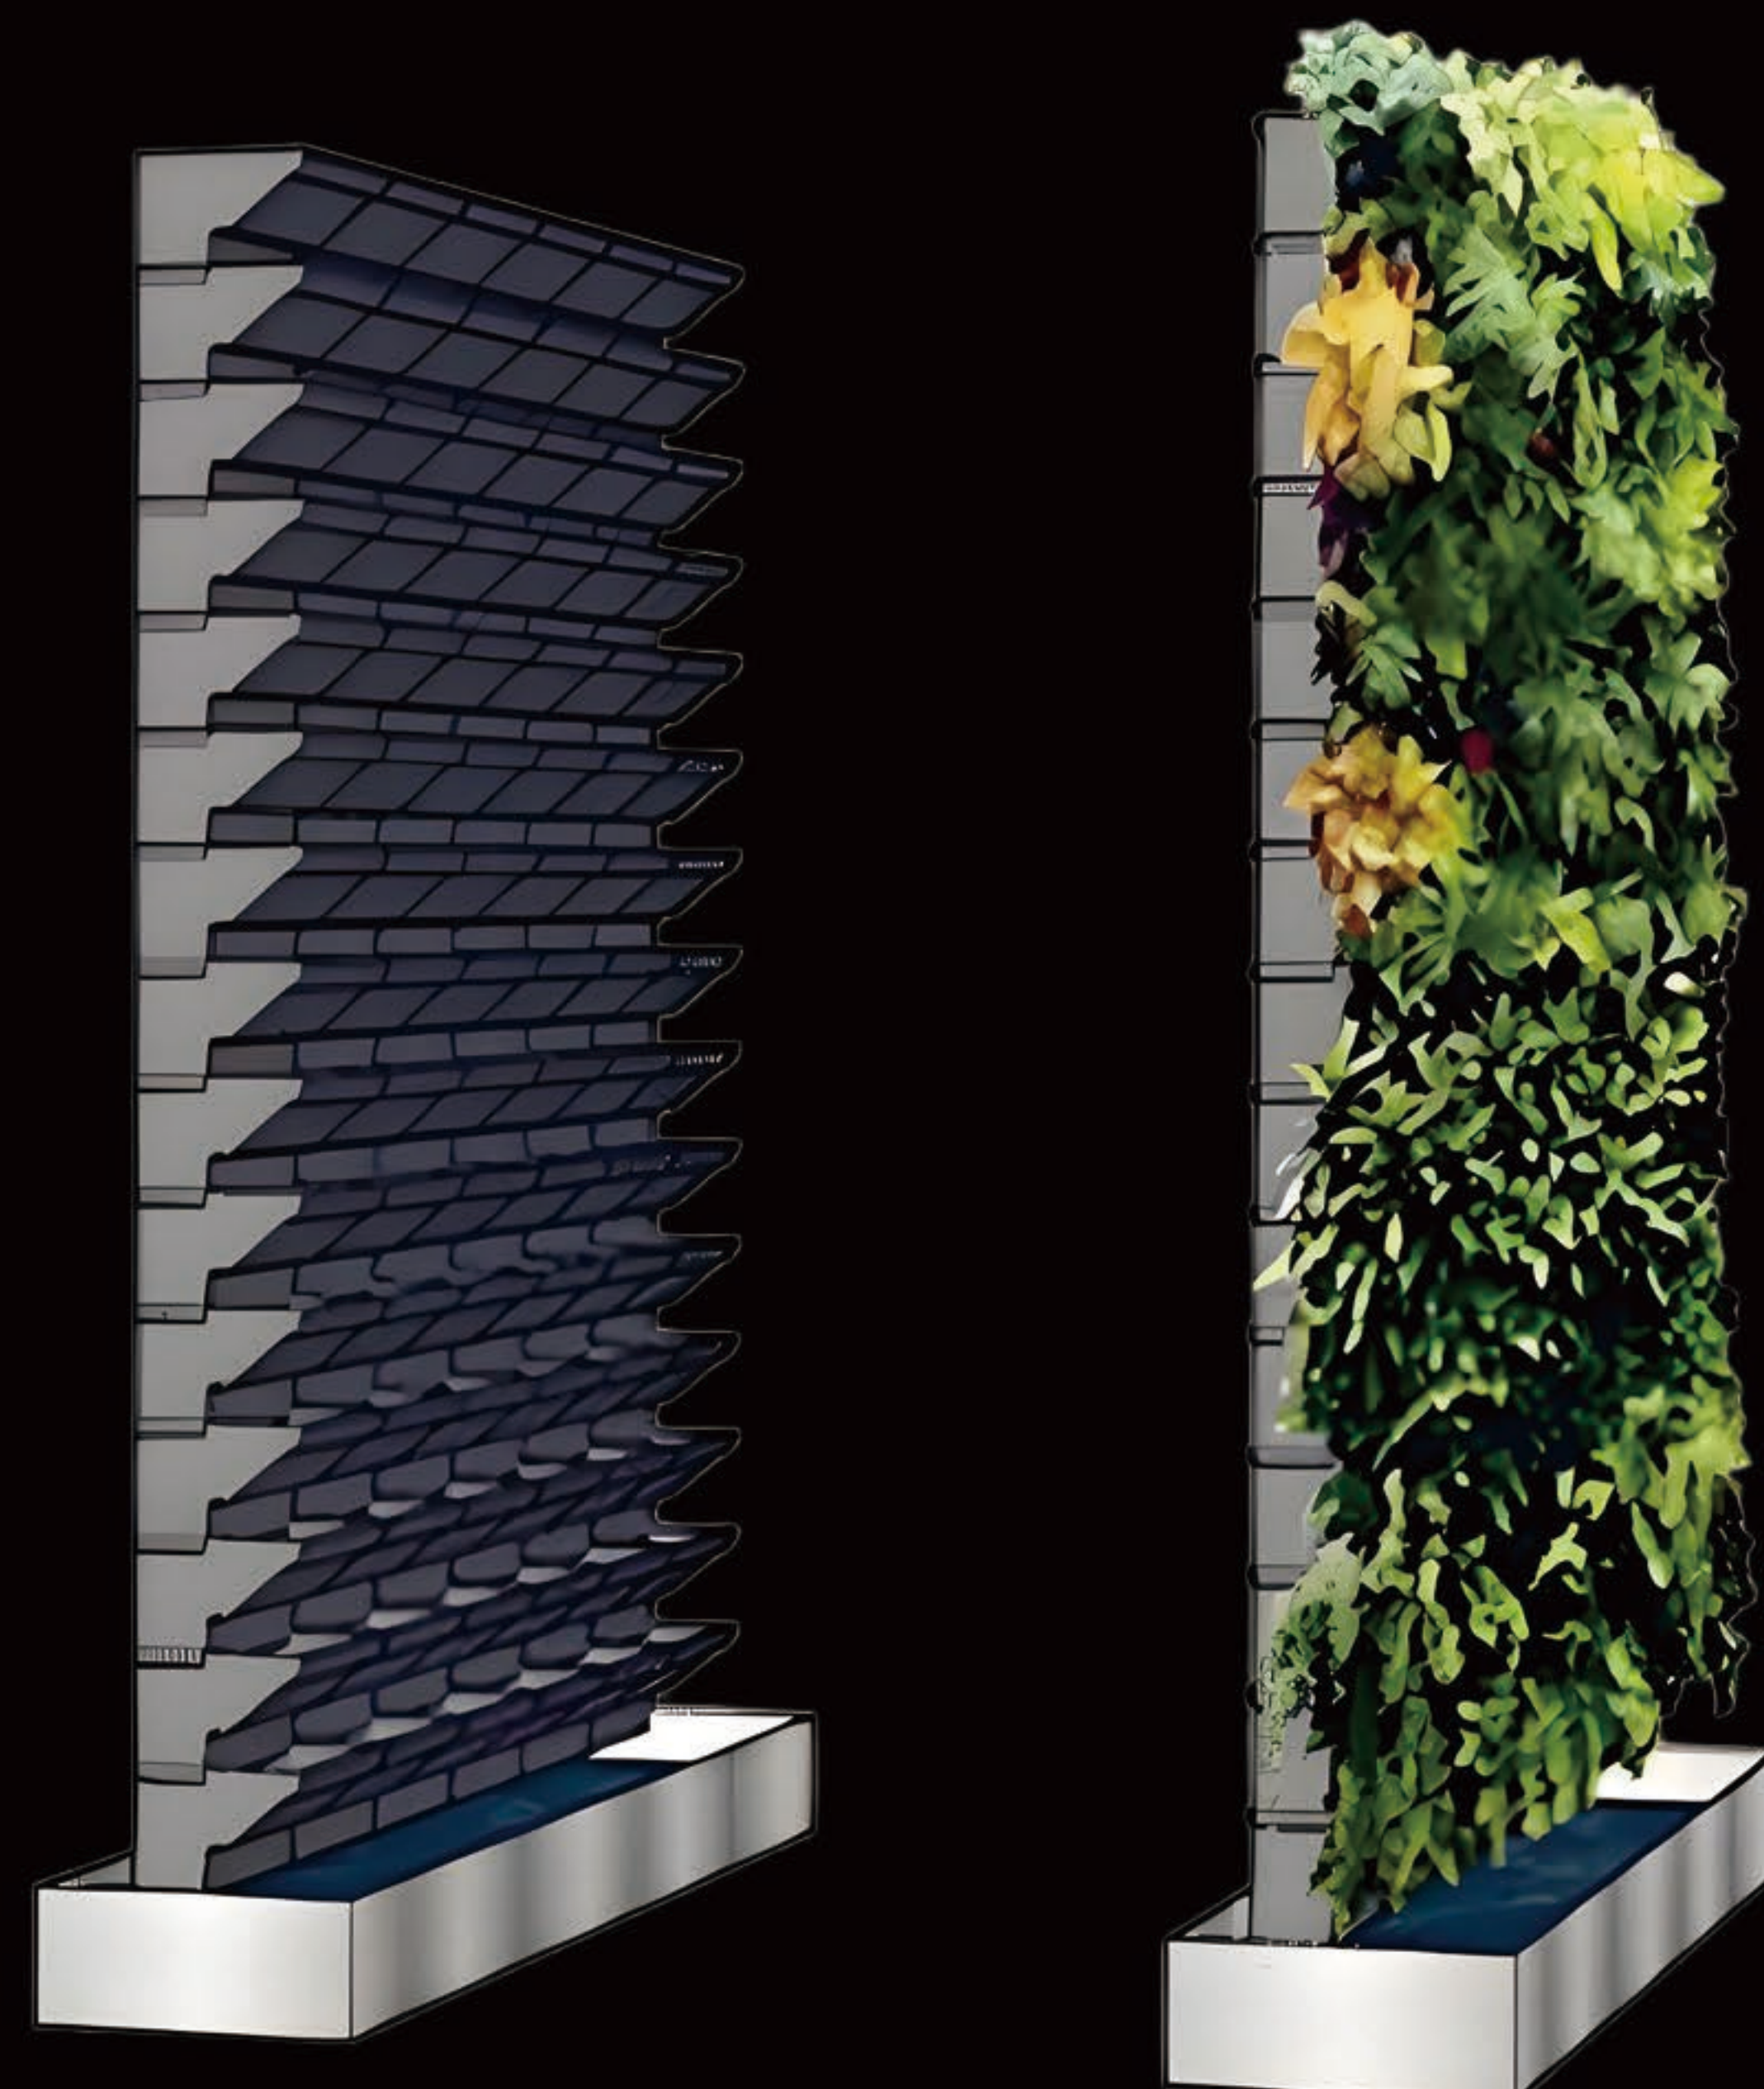

智慧种植—A字形栽培系统 Smart Planting—A-shaped cultivation system

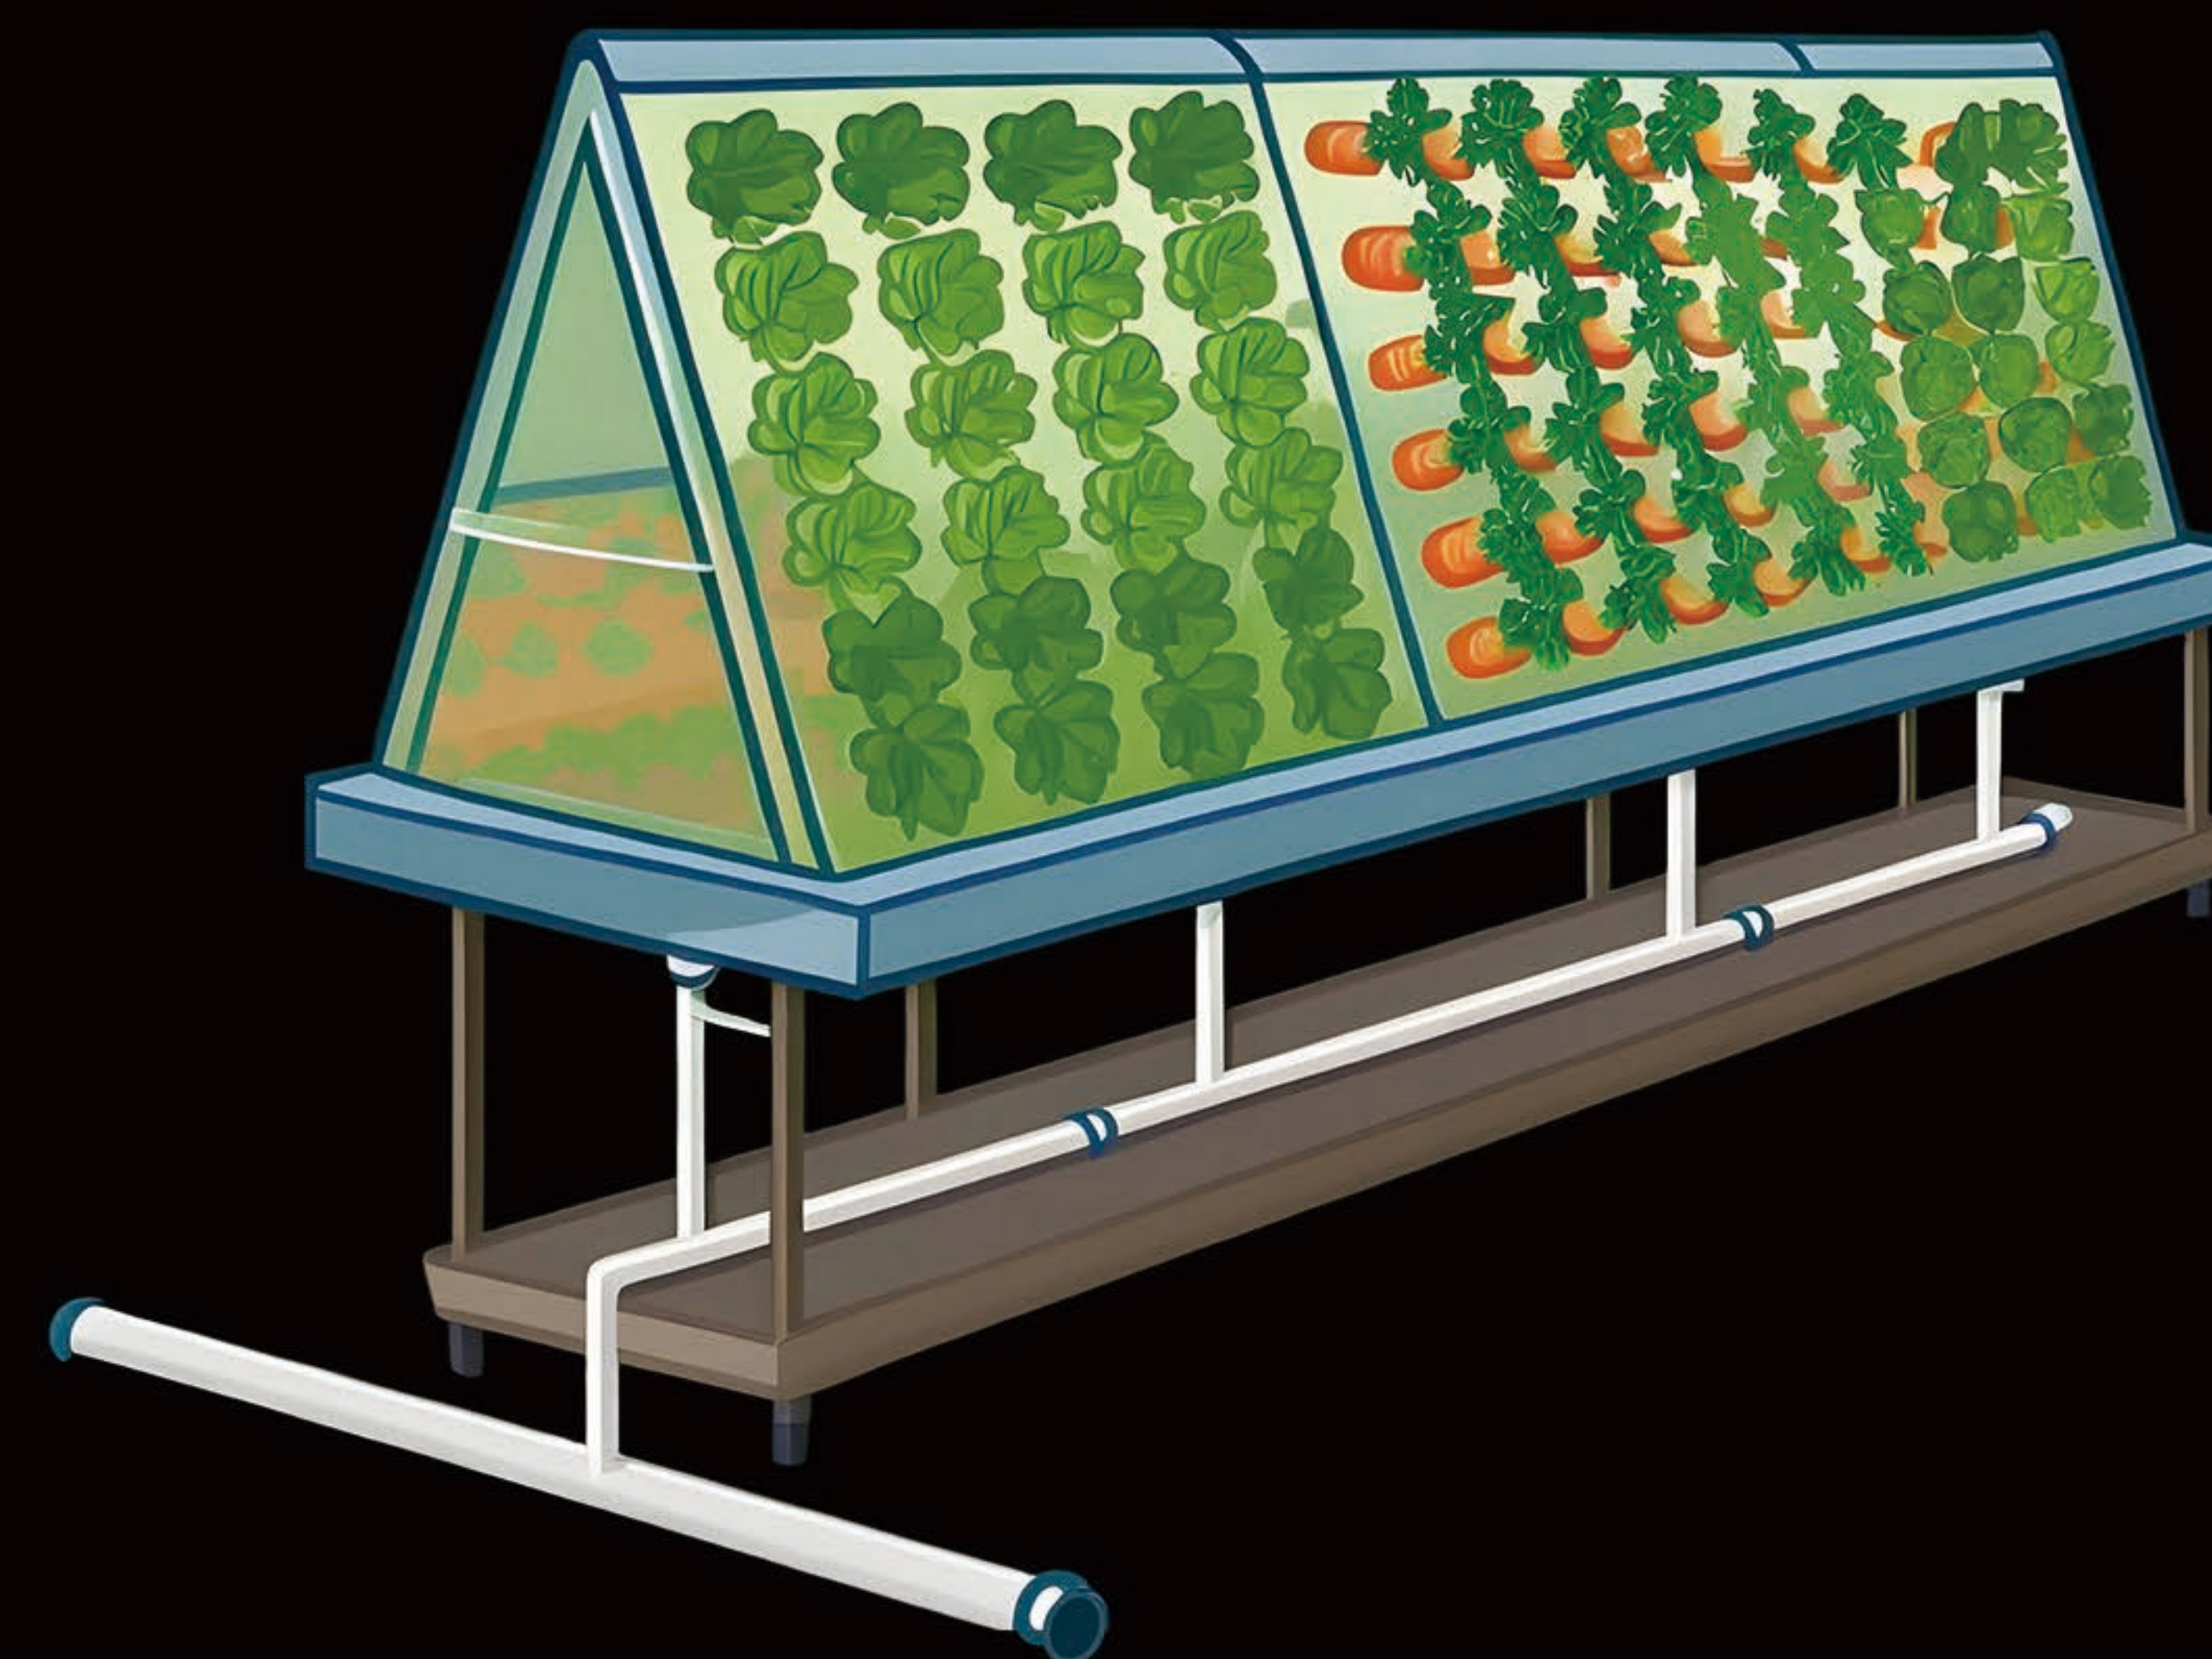

智慧种植—高架栽培系统 Smart Planting—Elevated cultivation system

智慧种植—墙体栽培系统 Smart Planting—Wall cultivation system

智慧种植—气雾栽培系统 Smart Planting—Aerosol cultivation system

智慧种植—花瓣立柱栽培系统 Smart Planting—Petal Column Cultivation System

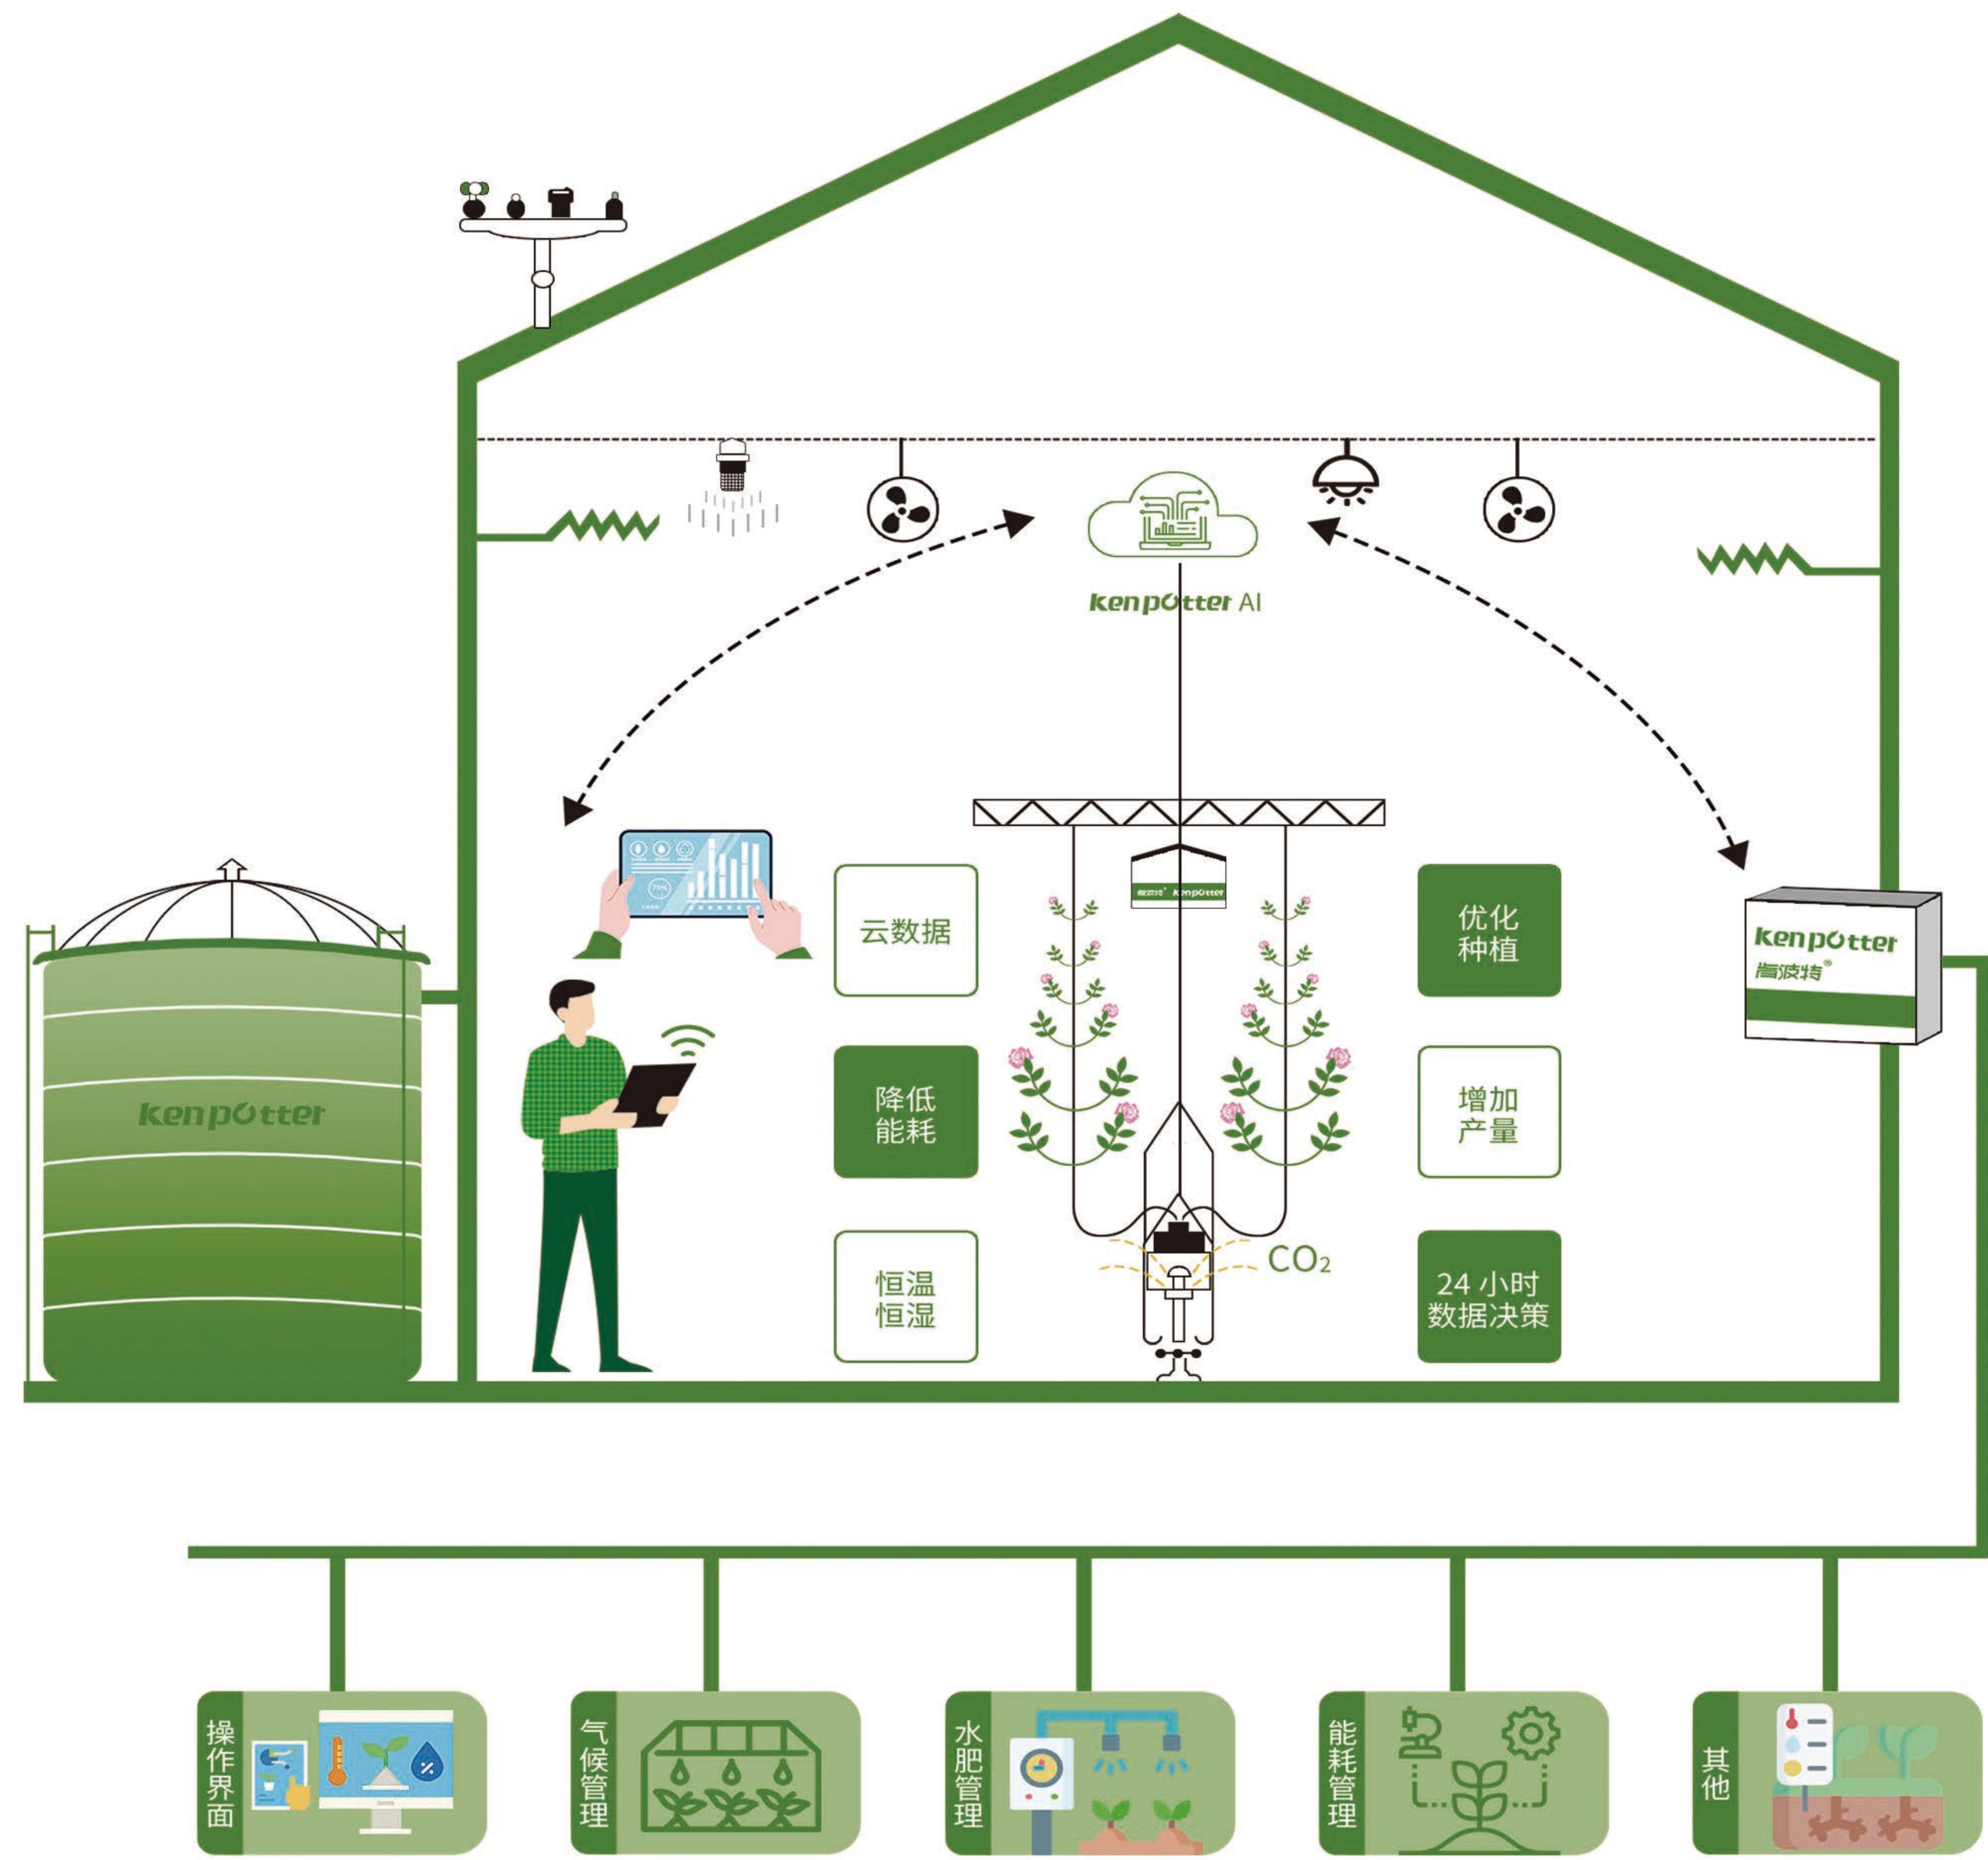

智慧种植—浅液流栽培系统 Smart Planting—Shallow liquid flow cultivation system

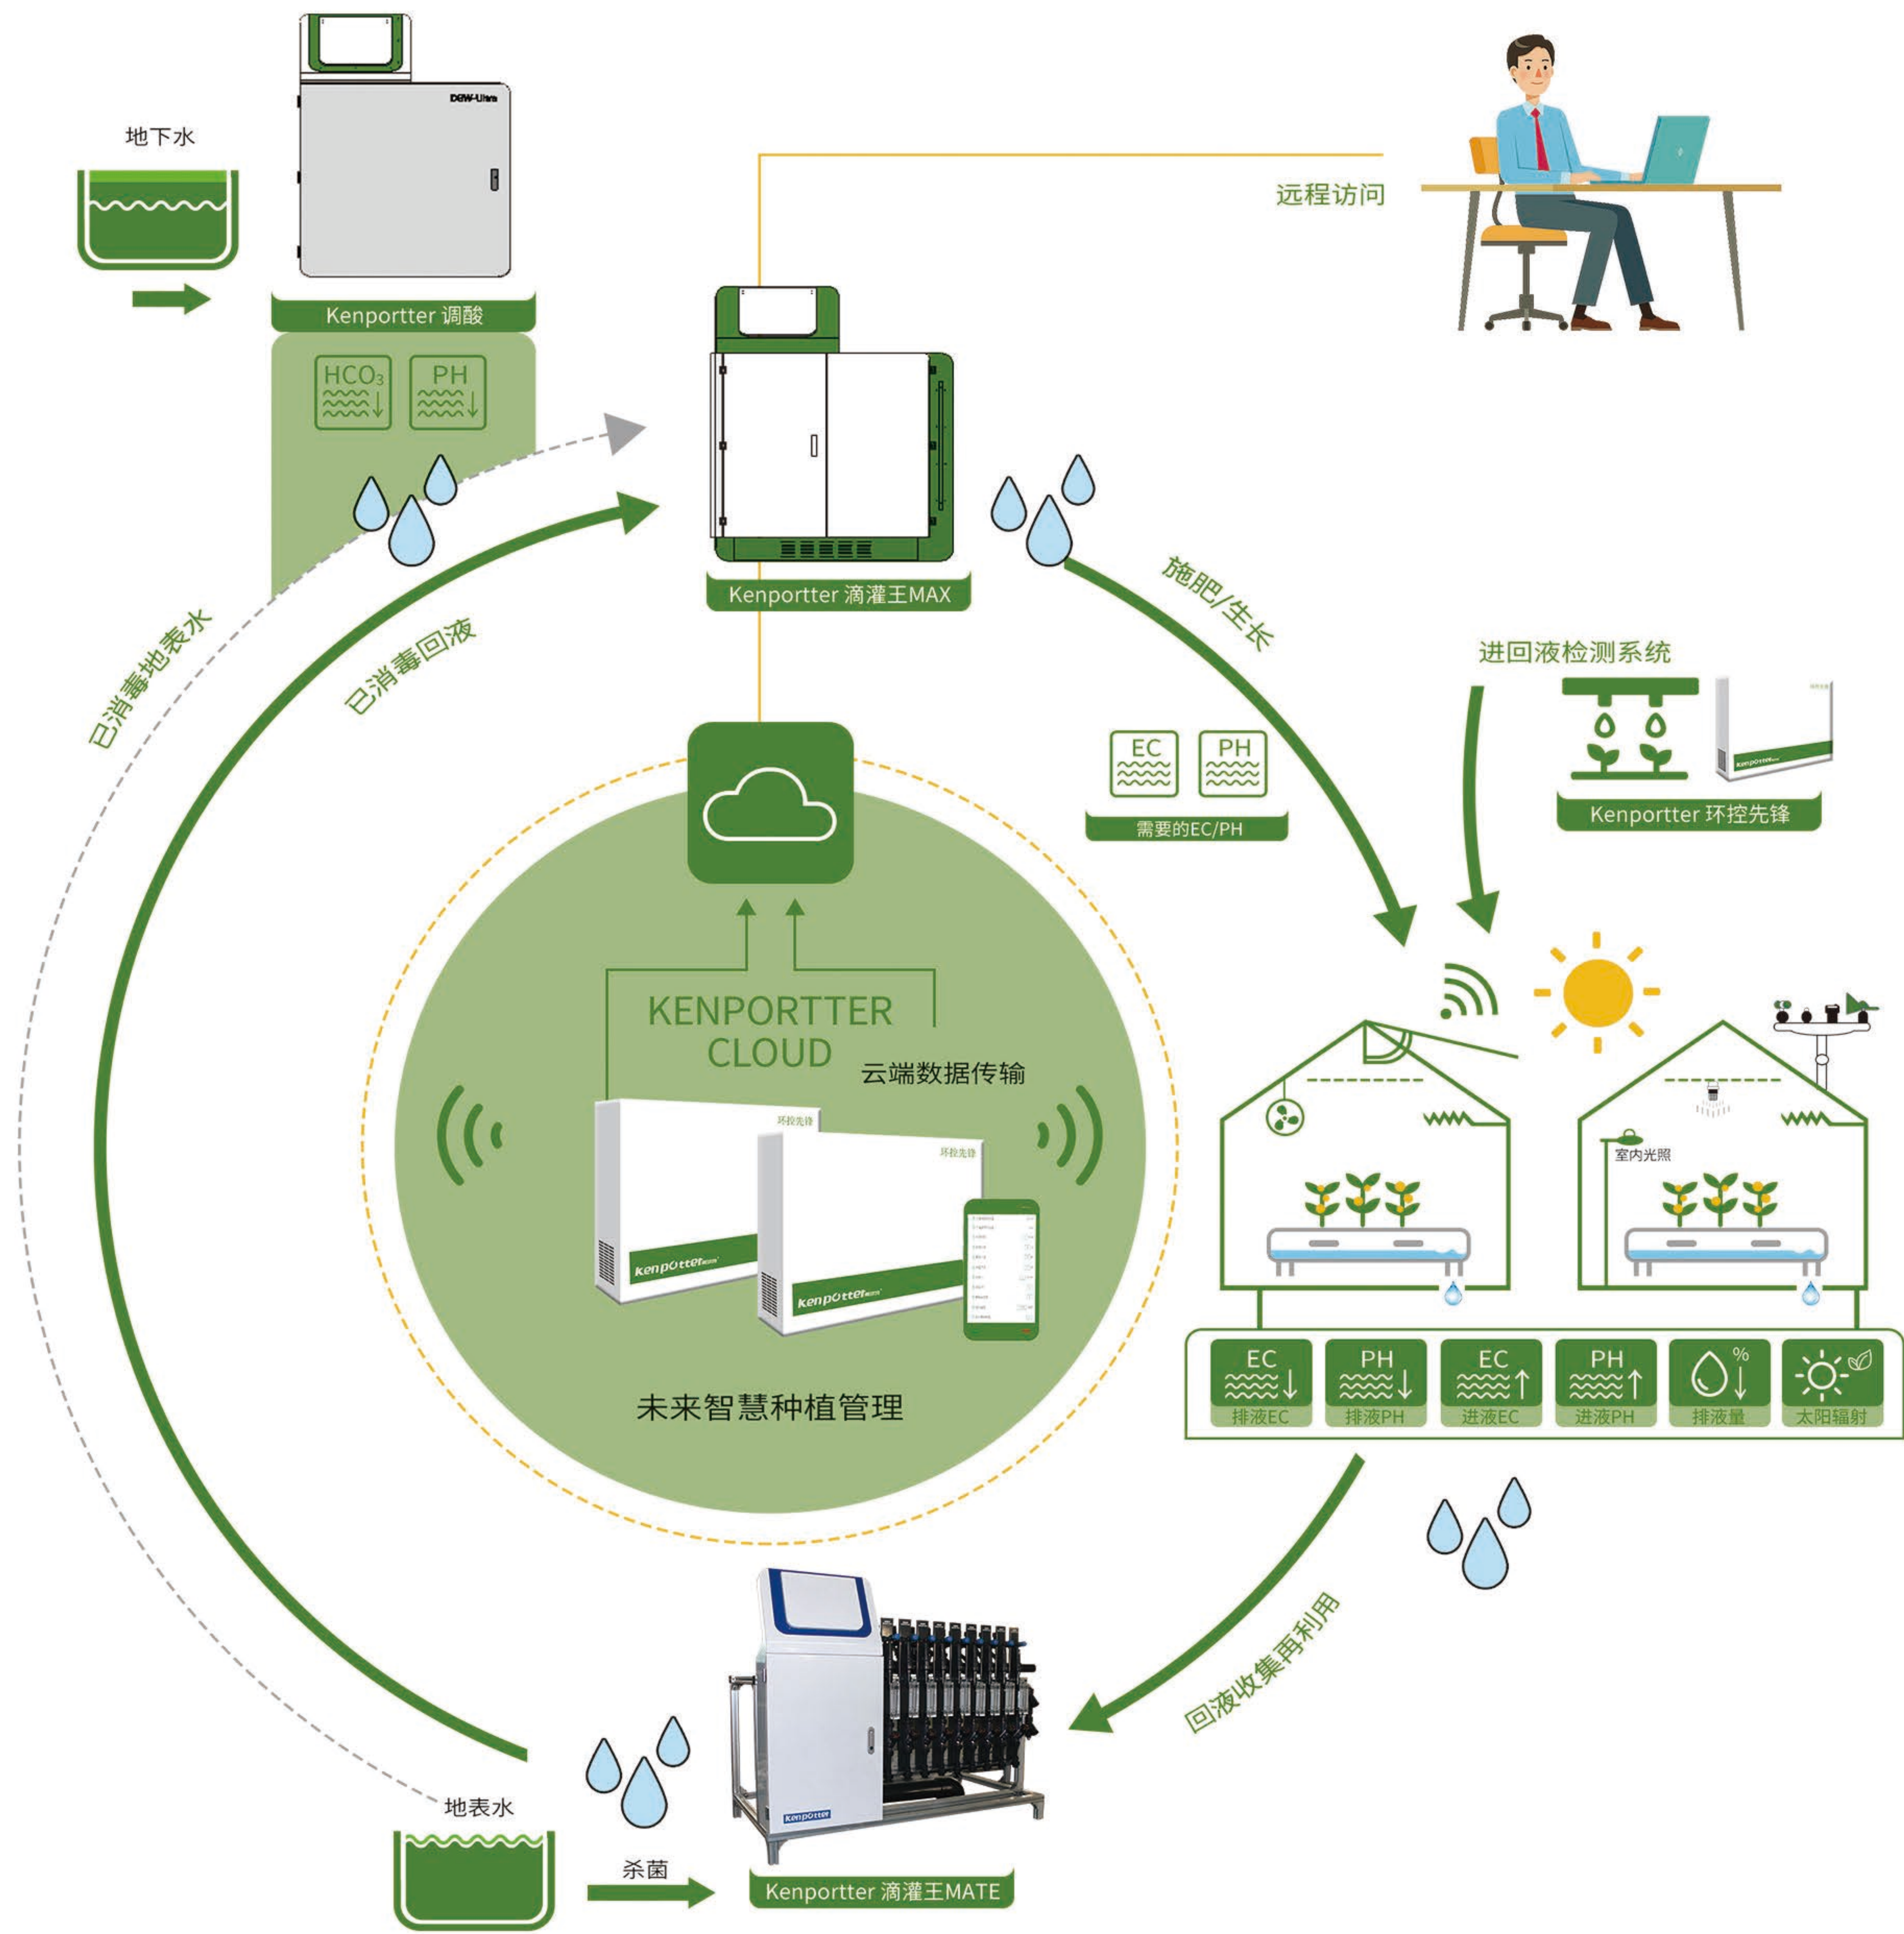

无土种植环控解决方案 Soil free planting environmental control solution

无土种植水肥解决方案 Water and fertilizer solution for soilless planting

肯波特以科技为支撑，重新定义无土种植新理念

Kenpotter Supported by technology, redefine the new concept of soilless planting
